NOTES

Our personnel per show is about 7 on average, but ranges from 4 to 9. We don't like to see food etc. go to waste, and therefore we encourage confirming our number of personnel beforehand.

The J'nC family is always looking for ways to reduce our carbon footprint while on the road. Whenever possible & practical, please provide food serving supplies made of reusable or recyclable material (e.g. paper plates and cups vs. styrofoam) ... and of course recycling bins onsite are always nice to see!
